2. Safe arrangements for the use, handling, storage and transport of articles and substances.
3. Sufficient information, instruction, training and supervision to enable all employees to identify and avoid hazards and also to be able to contribute positively to their own safety and health at work, and that of others.

It shall be the duty of every employee while at work:

1. To take reasonable care for the health and safety of him/herself and of other persons who may be affected by his acts or omissions at work.
2. As regards any duty or requirement imposed on his employer or any other person by or under any of the relevant statutory provision, to co-operate with him so far as is necessary to enable that duty or requirement to be performed or complied with
3. To ensure Council equipment in your charge is properly maintained.
4. To report promptly to the Chairman all accidents, damage and dangerous occurrences in which you are involved and any illness, physical disability or other impairment of your health which may effect, either permanently or temporarily, your ability to perform your normal work.
